1. The following is an examiner's statement of reasons for allowance: no prior arts have been found to show a monitoring means to monitor the voltage fluctuation range of a power supply and a duration of voltage fluctuations within the voltage fluctuation range, to determine the failure rank of the power based on the monitoring result and to output means for outputting a power failure signal rank to the power supply destination of the power supply as presented in independent claims 1, 4, 9, and 15-17.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
